## ANNEXURE – I : Technical Specification

Technical notes:-

1. The RWP will pump the water from raw water tank to water treatment system.

2. Water will first be filtered through a Pressure Sand Filter (PSF) for reducing suspended solids. Filtering media used in PSF is Sand. Sand is supported on bed of graded pebbles.

3. Antiscalant will be dosed in water with the help of electronic metering pump to avoid scaling on membranes.

4. Water is further passed through a micron cartridge filter typically of 5-micron size to control the SDI (Silt density index) of feed water. Cartridges will be replaceable types.

5. A high-pressure pump (HPP) is used for increasing the pressure of feed water to RO to overcome the osmotic pressure.

6. HPP will feed the RO block comprising of 4" X 40" membranes housed in pressure tube. Membrane will be suitable for brackish water application. Pressure tubes will be made of FRP and rated for 300 psi working pressure.

7. Instrument like pressure gauges, flow meters, level switch etc. are provided for proper monitoring of the plant performance.

8. Other safety interlocks like low pressure switch, for HPP are provided for safety of pump and membranes.

9. We will do low pressure as well as high pressure piping in UPVC.

10. Treated water will then be collected in RO Permeate storage tank.

# TERMS AND CONDITIONS

1. Sealed tenders, which should always be placed in sealed covers with the name of the work superscribed on the envelopes and also the last date for receiving tenders which will be received by the ***Superintending Archaeologist, Archaeological Survey of India, Mumbai Circle, Sion Fort, Mumbai -22*** up to 15.00 hrs on **22.03.2017** and will be opened by him in the office on the same day at 15.30hrs.

2. The time allotted for the carrying out the works/supplying materials is **30 days** from the date of issuing of written orders to effect the supply/commence the work.

3. The Manufacturer / authorized dealer should quote his rate in words and figures per unit, any correction in the rates should be attested by the dated signature of the suppliers. Otherwise such Tenders / quotations are liable for rejection. The amount for each item should be worked out and requisite of total should be given.

4. The tenders will be opened at the prescribed time and date in the presence of tenderers who will be present at the time.

5. The supply of materials/execution of work must be completed in all respects to the entire satisfaction of the Superintending Archaeologist, Archaeological Survey of India, Mumbai Circle, Mumbai or any officer authorized by him within the stipulated time and no extension of time will be given without any sufficient reason. **For any delay in completion of work over the prescribed time limit, penalty (compensation) may be imposed @ 1% of the Gross amount of order for per week of delay as per clause 2 of General conditions of contract for CPWD works.**

6. The supply of materials/execution of works must be strictly as per the specifications given in the notice inviting tenders, such as materials/works which does not confirm the specification in part or in whole will be rejected.

7. The acceptance of tenders will rest with the Superintending Archaeologist, Archaeological Survey of India, Mumbai Circle, Mumbai who is not bound to accept the lowest quoted rates and reserves the authority to reject any or all tenders without assigning any reason.

8. Tenders which do not fulfill any the above conditions or incomplete in any respect are liable for summarily rejection.

9. Canvassing in connection with the tenders is strictly prohibited and tenders submitted by the tenderer who indulge in canvassing will be liable for rejection.

10. The works shall be carried out by the contractor/firm strictly in accordance with A.S.I. guidelines / specifications as amended from time to time.

11. The rates given for the works should be inclusive of all taxes, leads and lifts etc. Nothing extra shall be paid over the rates quoted by the contractor/firm

12. It shall be the responsibility of the contractor/firm to ensure that no damage is caused to monument / Govt. property at the site by his/their vehicle or labour party. Cost of such damages, if any, will be assessed at the discretion of the Superintending Archaeologist and the same will have to be made good by the contractor/firm.

**P.T.O**

**Contd… from pre page**

13. The tender submitted on behalf of a firm shall be signed by all the partners of the firm or by a partner who is duly authorised on behalf of the firm to enter into contract. Otherwise the tender is liable to be rejected.

14. The contractors/firm shall not sublet any portion of contract without the written permission of ASI. Failing which the undersigned shall serve a notice, rescinding the contract, where upon the Earnest Money and Security Money shall be forfeited.

15. Security Money will be deducted @ 5 to 10% from the running payments and it will be refunded after 6 months of completion of work.

16. Error/omission if any should be rectified with no claim.

17. No claim whatsoever on account of fluctuations in prices will be entertained.

18. The contractor/firm shall not be entitled to any compensation whatsoever on account of any delay or default in the finalization and acceptance of design report.

19. The Earnest Money and Security Deposit of the successful contractor/firm will be forfeited, if he fails to comply with any of the conditions of the contract and work shall be carried out at risk and cost of the contractor/firm.

20. If more than one tenderer quoting the same rates are received, it will be the discretion of undersigned calling one tenderer to award the work to whom he finds more suitable to do the job and his decision will be final and binding on the tenderer.

21. It is understood that the bidder has inspected the site and assessed the volume of work before bidding for the project; no claims whatsoever will be entertained at any stage, in this regard.

22. The running payment will be made as per CPWD rules and if demanded by tenderer according to said rules.

23. Time shall be considered as the essence of the Contract. The entire work must be completed within the prescribed time limit from the date of award letter. Failing which the remaining work can be re-allotted to another contractor/firm at the risk and cost of the contractor/firm with due notice to the contractor/firm.

I agree to supply/execute the work at the rate/rates quoted in my quotation be approved and further I her by agree to fulfill all the terms and conditions laid down in the notice inviting quotations as above.
