

Retrieved of an image of 'Parrot Lady'

A sandstone female figure from Khajuraho, Madhya Pradesh with a parrot on her right ear, hence named the 'Parrot Lady' was detained in Edmonton, Alberta, Canada in accordance with Canada's Cultural Property Export and Import Act in 2010. After the long negotiation between the Government of India and Canada under the provisions of *UNESCO Convention on the Means of Prohibiting the Illicit Import, Export and Transfer of Ownership of Cultural Property, Paris 1970*, the said image was handed over to Hon'ble Prime Minister of India on April 15, 2015 by his Canadian counterpart.

Presently, the image is the custody of Archaeological Survey of India, New Delhi.
